<i>Please note that unless an email address is provided above, any Node1 Internet correspondence concerning invoices, scheduled outages and down-times will be sent to the Node1 Internet email address created during the connection process.</i>	

Appointment of an Authorised Representative (Optional)

If you wish to appoint an Authorised Representative to deal with Node1 Internet on your behalf, please fill out the section below. Please note, when you appoint an Authorised Representative you are giving the person you appoint the authority to deal with us on your behalf as your agent. This means that the Authorised Representative has the power to act and access information as if they were you. This includes making complaints, changing account details or cancelling a service. If you wish, you can specify limitations of your Authorised Representative's rights.

Optional Extras

<input type="checkbox"/> Battery Backup Service: Free Node1 Internet highly recommends the battery backup service – If the battery backup service option is not selected, no NBN-based services, including telephone and data services, will work in the event of a power failure or if the power is switched off at, or disconnected from, the power point. The Battery Backup powers the NTD in the event of power failure or disconnection to support some services using certain types of telephones/devices for a limited period of time (a total of approximately 5 hours under typical conditions) provided they use supported ports. You should ensure you have alternative means (such as a mobile phone) to place emergency calls. Medical and/or security alarms may also be affected. You should discuss your needs and solutions with your alarm provider. Please also consider the needs of anyone who lives/works at the service address when making a decision regarding the battery backup service. If you require a battery backup service in the future, an appointment to install the Power Supply with Battery Backup can be arranged with Node1 Internet. For more information regarding NBN Battery Backup Service and information regarding replacing and recycling batteries, please visit: http://www.nbnco.com.au/connect-home-or-business/already-connected/nbn-equipment/battery-back-up-service-information.html
<input type="checkbox"/> Wireless Router: \$149 Please note: to use the internet wirelessly, you will need a wireless router. If you have an existing router with a WAN port, this may be able to be reused with this service.

Plan Options

Link Speed	Traffic	Monthly Price	✓
10mbps/10mbps	Unlimited	\$179.95	<input type="checkbox"/>

100mpbs/100mbps	Unlimited	\$349.95	<input type="checkbox"/>

Acknowledgement of Terms & Conditions

Please read the Terms & Conditions document available for download on our website <https://node1.com.au/information.php> before signing this declaration. This section acknowledges acceptance of the Terms & Conditions, fees and charges, and confirms your order of the service. By signing this form, I agree to abide by the Terms & Conditions of Node1 Internet. I understand the internet plan I am subscribing to, and the restrictions, limits, charges and other features of it. I also understand Node1 Internet relies on a third party installation company for the connection of services, and therefore cannot guarantee connection provisioning times. I confirm the information provided in this application is true and correct at the time of application.
